What is OPERAs doing in Scotland? Progress and Plans

Join us for an informal seminar highlighting some of the ongoing and planned OPERAs activities in Scotland on Tuesday 2 December, 17:00-19:00 in the [Edinburgh Centre for Carbon Innovation \(ECCI\)](#), Edinburgh.

We look forward to welcoming a diverse audience from across science, policy and practice to present our progress and discuss the next steps. Please distribute widely, and register tinyurl.com/OPERAs2Dec

International project partners will present their work covering:

- progress in modelling ecosystem services
- socio-cultural valuation of ecosystem services (in the Pentlands Regional Park and East Lothian)
- policy assessment of ecosystem services mainstreaming across policy sectors
- ecosystem services of habitat restoration in the Inner Forth
- building an ecosystem services community of practice

Feel free to contact Marc Metzger if you have any questions about the event: marc.metzger@ed.ac.uk

This project has received funding from the European Union's Seventh Framework Programme for research, technological development and demonstration under grant agreement number 308393.
